SUMMARY OF EXAMINER INTERVIEW

Applicant would like to thank the Examiner for participation in an interview on October 8, 2008, and for considering arguments regarding the deficiencies of the prior art, including the den Dunnen and Beroud references. During the interview, claims 1, 29, 34, 46, and 51-54 were discussed. The Examiner indicated that describing that a standard is selected and displayed according to the selection appears to overcome the cited references. As such, Applicant has herein amended independent claims 1, 29, 34, 46, and 51-54 accordingly.
